

Burghill Parish Council

Neighbourhood Development Plan

The Burghill Parish Council will soon submit its updated Draft Neighbourhood Development Plan to Herefordshire Council (HC) for the next stage in the formal consultation process. This is known as:

The Regulation 16 Submission.

This submission will include the draft plan together with a number of other documents and relevant plans. Once the draft plan has been checked by the team at HC, the draft plan will be published by HC for its formal 6 week consultation period. This will start near the beginning of May 2018 and last for 6 weeks. During this period all the relevant documents will be published on HC's neighbourhood plans website, the parish council's website and the parish community website. A limited number of hard copies will also be available to view at The Burghill Valley Golf Club, the CAP and library sessions at the Simpson Hall and on loan from the Parish Clerk.

Commenting on the Burghill Neighbourhood Plan.

Those who wish to comment on the plan should submit their comments to HC using the forms available on the HC website. If you are unable to use this electronic system then you may write to HC with your comments to the following address:
